The aim of our Homework Club will allow children to have supervised time after school to complete their homework. We will provide a quiet and suitable atmosphere in which they can do their homework free from the normal distractions of home.

- The Homework Club will run on a Monday, Tuesday and Wednesday after school from 2:30pm to 3:30 pm. It will be available to pupils from 1<sup>st</sup> – 6<sup>th</sup> class.
- If teachers are to complete Croke Park hours on a Tuesday, Homework Club will then take place on a Thursday of that week.
- **As per the school's homework policy the ultimate responsibility for checking the child's homework rests with the parents/guardians. Parents/guardians are encouraged to check their child's homework each evening and homework diaries must be signed at home.**
- Students may bring an additional drink and snack for Homework Club. Time will be allocated to students to eat and drink before starting their homework.
- Ms Gill's room will be used for Homework Club each day.
- The children will be supervised doing the homework that has been prescribed by their own class teacher.
- If children complete their homework finished they will be encouraged to engage in activities provided for them (e.g. arts and crafts, colouring, reading, board games, etc.).
- The schools normal discipline code will be observed at all times. Any child who is not abiding by school rules during Homework Club, their parents will be contacted.
- Once Homework Club is finished children must be collected at the front of the school. Children must be collected promptly at 3:30pm.
- Homework Club is firstly offered to any children involved in the School Completion Programme, without any payment needed. Any additional places are then offered to students at a rate of €50 per term.

- Sibling rates will apply: €25 per sibling, per term.
- If Homework Club cannot go ahead on any particular day, the parents will be notified at least one day in advance.
- If children do not receive homework on any particular day and if they are signed up to Homework Club that day they must attend Homework Club on that day.
