School Uniform Policy

It is our school policy that all children wear the school uniform when attending school, representing the school, or when participating in a school-organised event outside normal school hours, unless otherwise stated. The school uniform identifies and associates our students with our school.

At Scoil Bhríde P.S, a new school uniform was designed and introduced for the current academic school year. The reasons for introducing the uniform include:

- to accommodate sensory needs
- promote physical movement and well being
- reduction of cost with having 1 standard uniform
- standardise the uniform across the school/classes.

The school uniform consists of the following:

School Uniform

- red crested jumper with black stripe.
- white polo t-shirt
- black crested tracksuit bottoms with a red stripe.
- runners

The uniform was introduced on a phased basis for current junior infants and any children in older classes who wish to buy the uniform.

Children with hair shoulder length or longer than shoulder length should have their hair tied back with a suitable hair accessory. This is for the health and safety of children during class lessons and during PE. It is also a measure put in place to prevent the spread of head lice in the school.

Board of Management Ratification

This policy is hereby ratified by the Board of Management of Scoil Bhríde Primary School.
